

GARFIELD GLEANER

LADDISH

SPRING '55

Acknowledgment

Once again we wish to thank all of those who have helped us in the publication of this issue of the *Gleaner*. Our special thanks go to Mr. Behrens, who has been our constant advisor; to Miss Collar, who has worked so untiringly with the Art Staff; to Mr. Savers for his help in the sales; and to Mr. Baxter for his loyal support. The enthusiasm of the student body resulted in the sale of 1153 *Gleaners*, a new record.

spring 1955

dedication

In appreciation of his many years of devoted help and guidance, we are happy to dedicate this issue of the Garfield Gleaner to our faculty advisor, Mr. Richard Behrens.

We feel that this recognition is particularly fitting in this, the term of our greatest sales.

The Staff

Principal's Message

During the spring semester of 1955 two important changes have taken place. First, the *Gleaner* has been rather radically changed and we hope the improvement will meet with everyone's approval.

Second, the new gym has been started, and we hope will be ready for occupation some time during the spring of 1956. This will give us very important facilities to carry on a better Phys. Ed. program and an after school program in the future.

I hope that everyone has a very pleasant and happy summer vacation.

A. C. Baxter

President's Message

During our three years here, we, the graduating class of spring, 1955, have learned many new things and have made many new friends. All of us wish to thank Mr. Baxter and the faculty for their help and guidance in this stage of our education. We shall always remember Garfield in our future years.
